### The History of the Holiday Celebration

In 2011 the Los Angeles County Holiday Celebration marks its 52nd year. The **Los Angeles County Board of Supervisors** has sponsored an admission-free show as a holiday gift to the people of the County every December 24 since 1959. The late Kenneth Hahn, Supervisor of the 2nd District from 1952 to 1992, was the father of the Holiday Celebration. Kenneth Hahn cared deeply about the accessibility of the arts to everyone. He personally helmed the fundraising for the first celebration, which was called the Christmas Program and took place at the Sports Arena. When Dorothy "Buffy" Chandler sought Hahn's support for the proposed Music Center, he told her that he would support it if he could be sure that the Music Center would be open free to the residents of the County at least one day each year. In 1964 the Holiday Celebration moved to the just-opened Music Center and the Dorothy Chandler Pavilion continues to host the Holiday Celebration to this day.

The **Los Angeles County Arts Commission** is executive producer of the Holiday Celebration, both the live three-hour show at the Music Center and the one-hour special drawn from the live show and broadcast nationally. The live presentation at the Music Center is the largest holiday show in the County. Attendance has become a seasonal tradition for thousands of Angelenos. Since 1965, public television station KCET has broadcast the show live in Southern California. The first one-hour "best of" compilation of the live show aired nationally on PBS in 2002. The 2011 national show, broadcast in high definition via American Public Television, is airing across the country during the month of December.
