## The History of the Holiday Celebration

The **Los Angeles County Board of Supervisors** has sponsored an admission-free show as a holiday gift to the people of the County every December 24 since 1959. The late Kenneth Hahn, Supervisor of the 2nd District from 1952 to 1992, was the father of the Holiday Celebration. Kenneth Hahn cared deeply about the accessibility of the arts to everyone. He personally helmed the fundraising for the first celebration, which was called the Christmas Program and took place at the Sports Arena. When Dorothy "Buffy" Chandler sought Hahn's support for the proposed Music Center, he told her that he would support it if he could be sure that the Music Center would be open free to the residents of the County at least one day each year. In 1964 the Holiday Celebration moved to the just-opened Music Center and the Dorothy Chandler Pavilion continues to host the Holiday Celebration to this day.

The **Los Angeles County Arts Commission** is executive producer of the Holiday Celebration, both the live six-hour show at the Music Center and the one-hour special drawn from the live show and broadcast nationally on PBS. The live presentation at the Music Center is the largest holiday show in the County, featuring 1,000 to 1,500 performers. Attendance has become a seasonal tradition for thousands of Angelenos. Since 1965 public television station KCET has broadcast the six-hour show live in Southern California. The first one-hour "best of" compilation of the live show aired nationally on PBS in 2002. The 2007 national show - the first broadcast in high definition - is part of PBS's holiday programming package and is airing on more than 170 stations across the country during the month of December.
